SAT. 11-21-81

Dear Mariam:

I must apologize for my long silence. I am depressed, I must hold some sort of record for "wild goose chases". I remain stymied on my ancestors. The Monroe Co, Ind. Theory was my latest "chase". This group; John L., Richard, Leason, Levi and others unknown proved to be sons of William Shirley and Jamima Taylor who m. Nicholas Co., Ky. 1801. William Shirley; Bracken Co., Ky. 1810, Harrison Co., Ky. 1820 and Monroe Co., Ind. 1830. This William was b. Jan. 1780 Bedford Co., PA., son of Richard Shirley b. 1755, d. 16 July 1780 and Rachael Moore, dau. of Levi Moore. This Richard was the Ranger massacred by Indians. He was son of "Old" William Shirley b. ca. 1725-1730 who d. and left will in Scott Co., Ky. 1805. "Old" Wm. was prob. son of Richard who d. and left will St. Mary's Co. Maryland 1737. This Richard was prob. son or grandson of Robert Sherly who came to Maryland 1633. Robert was possible son of Sir Thomas Sherley, the younger b. 1564, d. ca. 1633. This could be the first proven line to the Royalist Shirleys. My interest and efforts on this line have not left time for me to participate in

Ruth Burrell's Group. Since There is a growing interest in Maryland I feel I should let someone know what I have been doing in recent months. But, as usual, my loss is someone else's gain. Several generations here for someone.

Where did the Barren Co. clan originate? My two guesses; Maryland or Westmoreland Co, VA. Was Arge - Argeland or Archibald? He is certainly found many times as Archibald. My first contact on Arge was with Ruth Payne of Hartsburg, ILL. She had him as Archibald of Maryland. Was this simply bad spelling; Arge, Archie, Archy. He is found as Arjah in Barren Co. Tax Records. Several years ago I thought Arge would be the key to this group but the name Arge has only complicated matters. Arge's first wife was Susannah, was she also a Grubbs? I still believe there was more to the Barren Co. story than we know. Who was the father of Moses and Nimrod? Both married Dales and went to Hamilton Co., ILL. Ref: Shirley News Oct. 1981, pg. 10. Isaac Shirley was son of Moses. This sketch states Isaac b. Tenn. This could

~~Could~~ Account for Mose's Absence in 1810 Census of Ky. Perhaps Moses was in Tenn. 1810. This sketch also states that Isaac had dau. Margaret, wife of Moses Shirley of Morris County. This Moses was prob. grandson of Nimrod. The Shirleys married cousins again!! To me, Moses who m. Nancy Dale was son of Richard Shirley who d. Scott Co., Ky. 1796. Note, the name Margaret has finally surfaced. Was A Margaret the mother of Moses and the grandmother of Isaac. I enjoy this type of info in the News, it always adds to earlier generations,

John E. Shirley of Bowling Green, Ky. John has to be a modest fellow. He is Dr. John E. Shirley formerly of Richmond, Ky. His Doctorate in Agriculture I believe. I talked to Dr. John several years ago by phone. He expressed an interest in his Monroe Co. ancestors. I am pleased to see that he has been working and writing about his people. John is a first cousin of James Thomas Shirley of Georgetown, Ky. who attended the 1981 Convention. Everyone in Richmond, Ky. speaks well of John Shirley. His state in life ~~doesnot~~ has not prevented him from mingling

with the ordinary people, a fine fellow, no doubt.

Mariam, I have never pursued Pressley N. Thomas and Malinda Shirley to any extent. There is a marriage consent in Barren Co. signed by Molley Shirley. I did check Pressley in 1850 Census for places of birth, ages, etc. Was looking for basic info at the time -

1850 Census - Barren Co., Ky.

Pressley N. Thomas	Age 64	b. N.C.
Malinda	59	b. S.C.
Pressley Frances	Did not note ages.	
William		
Rachael	77	b. N.C.

(Rachael perhaps older sister of Pressley).

Following from some notes someone sent me. Cannot vouch for their accuracy.

Pressley's father was Alexander Thomas

Children:

Pamela m. Thomas Trent 29 Nov. 1833.

Mary Elizabeth m. John Bradley
William m 1st Sarah Hayes, 2nd Rebecca Bradley

Caleb b. 10 Nov. 1810, d. Prior To 1840 Barren Co., Ky. m. Susannah Kelly.

Since Malinda married young, she was b. ca. 1791, m. 1807, I assume she had other children. These messed up notes indicate a son James. By messed up notes, I am speaking of the so-called Dalton Paper written by Mrs. H.E. Dalton (deceased) of Carrollton, Mo. back in the 1960s. Mrs. Dalton was descended from Caleb bro. of Malinda. I have never distributed this paper. One must be a seasoned researcher to sift the good from the bad info. Some fellow sent me this thing with a bill for $10.00. He later requested info from me. I would imagine that he is sorry that I payed him $10.00. I finally concluded that he was a semi-professional genealogist.

Early on, I attempted to do some research in Monroe Co., Ky. Learned records from 1820 thru Civil War years were destroyed by fire. This may prove to be an important void in our work. Loss of early Scott Co., Ky. marriage records was also a serious handicap.

Caleb b. in Va. 1810, d. Prior to 1840 Bourbon Co. Ky. m. Susannah Kelley.

Sister Malinda married young. She was b. ca. 1791, m. 1807, I assume. She had (the child-ren). Then census records indicate a son James. By process of elim., I am speaking of the so-called Dalton Paper written by (deceased) Mrs. H.E. Dalton of Carrollton, Mo. back in the 1960s. Mrs. Dalton was descended from Caleb bro. of Malinda. I have never discredited this paper. One must be a seasoned researcher to sift the good from the bad. Into. Some fellow sent me this thing with a bill for $10.00. He later requested info from me. I would imagine that he is sorry that I payed him $10.00. I finally concluded that he was a semi-professional genealogist.

Reuben Shirley m. Lettitia Shirley 1826 Barren Co., Ky.

Census of Monroe Co., Ky., 1850

Reuben Shirley	Age 56	b. Ky.
Letty	40	Ky.
Elizabeth	21	Ky.
Anderson	18	Ky.
James	12	Ky.
Nancy	6	Ky.

Same Census

Thomas Shirley	53	Ky.
Jefferson	23	Ky.

I have some Census notes on Moses and Nimrod in ILL. There has to be some mistakes in these things. Nimrod m. Betsy Dale 1807 Barren Co. Nimrod listed as 53 yrs. in 1850, Elizabeth 50 yrs. Nimrod was 50 to 60 in 1840. Russell and Rubin had to be sons of Nimrod. Nimrod b. S.C., Moses b. N.C. in 1850 and then S.C. in 1860. These notes may "muddy up the water".

Known children of Moses; John, Moses, Isaac, Polly m. Simms, Millie m. Irvin, Eliza m. Lane, Sarah m. Cox, Elizabeth m. Moore, Nancy m. Hall. Moses said to have m. Nancy Dale 1797 Warren Co., Ky. I cannot locate this marriage record.

I Recently had a Phone call From James Young. He has Located The Graves of Thos. Shirley Jr. and Hannah, Also has Location of a Dale Cemetery.

Re: Land Grants - James Shirley
Warrant # 3046, 5-5-1784, James Shirley 3yrs. Va. Line. I Followed upon This. The Warrant was entered in Ky. but The claim was never completed. I believe This warrant was Finally entered in Ohio. This James Shirley was prob. son of Walter.

James Shirley, 1,161 Acres, 9-17-1798, Hardin Co. on The Green River. This Land was actually in Barren Co. In 1817 Attorneys For Ann D. Shirley of Norfolk, Va. sold This Land. Ann was The widow of Ambrose Shirley. I would have To assume That Ambrose was heir of This James. Ann was dau. of Robert Tompkins and Grand daughter of Christopher Tompkins, both officers in The Navy during Revol. War. She inherited many Acres of Land in Ky. Ambrose was Reported Lost at sea in 1815,

Have I Forgotten anything?

(Can John E. Shirley Prove his Line Prior To Thomas Shirley and Molly Grubbs?

Respectfully,
Edward

PRESLEY FAMILY

Sarah Presley, b. c.1804 in OH (possibly Preble Co.); d. c.1860, Hendricks Co.IN
m. William Shirley 1 Apr 1828, Barren Co. (Blue Springs Bapt. Church, Rev.Ralph Petty)

Deborah Presley, b. 30 Mar 1809 in TE; d. 29 Aug 1866, Hendricks Co.IN
m. James Shirley 13 Dec 1827, Barren Co. (Blue Springs Church, Rev.Ralph Petty)

Joseph Presley signed marriage bond for both girls. I have been told the parents of Sarah and Deborah were Joseph and Rebecca Presley.

David Presley married Polly Smith, whose mother was Nancy Shirley, a sister of the mother (Elizabeth Shirley) of James and William. Have no date or place of marriage, birthdate, etc. Believe they may have come to Hendricks Co.IN also. (see the chart)

I have no idea if there is any immediate connection between PRESLEY Thomas and the PRESLEY FMAILY. I think it is very likely that a relationship may have existed in the past, because I read that many Presley daughters in VA used the name for their sons, and the name continued in subsequent generations. The list I saw does not include any Thomases. This may be a simple coincidence....still it crosses my mind that Presley Thomas's mother or grandmother could have been a Presley.

There are no Presleys in the Dripping Springs Bapt. Church records.

KY Tx Lists c 1790 in lieu of Federal Census

HISTORY OF THE FIRST UNITED STATES CENSUS OF KENTUCKY

The first Federal enumeration of the inhabitants of the present Commonwealth of Kentucky was undertaken under the authority of an Act known as "An Act Providing for the Enumeration of the Inhabitants of the United States." This was approved March 1, 1790.

At that time the present Commonwealth of Kentucky was a part of Virginia, although a movement was then under way looking to the formation of a separate state. This movement resulted in the creation of the Territory of Kentucky under date of July 26, 1790. Kentucky was formally admitted to the Union June 1, 1792.

In the act authorizing the taking of the first Census, Kentucky was classed as a separate district for the taking of the Census, and the United States Marshall for the District of Kentucky was allowed Two Hundred and Fifty Dollars ($250.00).

The actual taking of the Census was ordered to commence on the first Monday in August, 1790, and to be completed within nine (9) calendar months thereafter. Thus, it is to be noted that the Census enumeration actually commenced after Kentucky's separation from Virginia.

The Census was completed and the returns made to Washington where they were filed with the State Department. When the British burned the Capitol at Washington during the War of 1812, the Census of the District of Kentucky was destroyed.

The form used in the First Census enumeration called for the following information:

1. Names of heads of families.
2. Free white males of 16 years and upwards, including heads of families.
3. Free white males under 16 years.
4. Free white females, including heads of families.
5. All other free persons.
6. Slaves.

The returns for Kentucky as a District showed:

15,154 Free white males of 16 years and upwards, including heads of families.
17,057 Free white males under 16 years.
28,922 Free white females, including heads of families.
114 All other free persons.
12,430 Slaves.

73,677 Total number of inhabitants reported.

KY Tx Lists c 1790 in lieu of Federal Census

HISTORY OF THE FIRST UNITED STATES CENSUS OF KENTUCKY

The first Federal enumeration of the inhabitants of the present Commonwealth of Kentucky was undertaken under the authority of an act known as "An Act Providing for the Enumeration of the Inhabitants of the United States." This was approved March 1, 1790.

At that time the present Commonwealth of Kentucky was a part of Virginia, although a movement was then under way looking to the formation of a separate state. This movement resulted in the creation of the Territory of Kentucky under date of July 28, 1790. Kentucky was formally admitted to the Union June 1, 1792.

In the act authorizing the making of the first Census, Kentucky was classed as a separate district for the making of the Census, and the United States Marshall for the District of Kentucky was allowed One Hundred and Fifty Dollars ($150.00).

The actual taking of the Census was ordered to commence on the first Monday in August, 1790, and to be completed within nine (9) calendar months thereafter. Thus, it is to be noted that the Census enumeration actually commenced after Kentucky's separation from Virginia.

The Census was completed and the returns sent to Washington where they were filed with the State Department. When the British burned the Capitol at Washington during the War of 1812, the Census of the District of Kentucky was destroyed.

The form used in the first Census enumeration called for the following information:

1. Names of heads of families.
2. Free white males of 16 years and upwards, including heads of families.
3. Free white males under 16 years.
4. Free white females, including heads of families.
5. All other free persons.
6. Slaves.

The returns for Kentucky as a District showed:

15,154 Free white males of 16 years and upwards, including heads of families.
17,057 Free white males under 16 years.
28,922 Free white females, including heads of families.
114 All other free persons.
12,430 Slaves.

73,677 Total number of inhabitants reported.

In 1906, 1907, and 1908 the Congress authorized the Director of the Census to undertake the publication of the data available from the First Census, and to acquire certain additional data designed to be used as a substitute for the burned reports. Under this authority certain publications were made, these showing the names of the heads of families in the states existing in 1790. Virginia was only partially completed. The Virginia report covered certain state enumerations for 39 of the 80 Virginia counties plus a city enumeration for the cities of Williamsburg and Richmond. Forty-one counties of the District of Virginia were not covered. No detailed report on Kentucky was included in the Virginia volume; nor has it ever been completed or published.

The compilation in this volume is designed to make public, at least, a part of the list of Kentucky's heads of families as of 1790. It is not believed that any complete list now exists, although some duplicates were made and posted in the District of Kentucky; and some of these may still exist.

The source of material used in this compilation is the precious old personal property tax lists preserved in the archives of the Kentucky State Historical Society at Frankfort.

The tax lists used in the compilation were as follows:

BOURBON COUNTY --- 8 pages of 1790 were used and 3 volumes of 1791. There is some duplication of names.

FAYETTE COUNTY --- 5 volumes of 1789, with some duplication of names.

JEFFERSON COUNTY --- 6 volumes of 1789 were used, and some duplications were found.

LINCOLN COUNTY --- 2 volumes of 1790 were used.

MADISON COUNTY --- 3 volumes of 1789 were used, with some duplication of names.

MASON COUNTY --- 1 volume of 1790 was used.

MERCER COUNTY --- 1 volume of 1789 was used.

NELSON COUNTY --- 1 volume of 1792 was used.

WOODFORD COUNTY --- 2 volumes of 1790 were used.

The duplication of names could not be avoided; nor were any names omitted because of seeming duplication. In some cases this duplication seemed to be due to the overlapping of the tax assessors' districts; in other cases, it seemed to be due to slight variations of dates of compilation. It was thought best to list every name found, for there was no way of determining what were actual duplications and what were the result of several tax payers in the same county having the same name.

The spelling used herein follows the spelling in the tax lists, although many obvious errors in the spelling of names were detected. It was thought best to list the names and spelling as they appeared rather than to undertake to correct them to read as we may have believed they should read.

Searchers should understand that the names, as listed, frequently followed their phonetic spelling, the common practice of that pioneer time when many could neither read, write, nor even spell their own name. In all cases, one should search the lists for similar names which might reflect several ways of spelling the same family name.

Just as families have been omitted in every Census from 1790 to the latest one, so have names probably been omitted in tax lists. This compilation merely records the names as listed by the tax authorities. If their lists omitted names, this list will not, of course, include them.

In the following tabulation we set out the summary of population in each of the nine (9) Kentucky counties as disclosed by the First Census (Federal). Although the details of that Census were lost, the summarized figures were preserved.

(These figures are from a publication by the Census Bureau which compared the 1790 county populations with the 1900 populations of the same counties.)
